

Mediq Healthcare UK Ltd: Health, Safety and Environment Policy Statement

Our Commitment

Mediq Healthcare UK Ltd is committed to providing high-quality services in a responsible manner, ensuring safe and healthy workplaces and respecting the environment. Our culture encourages all employees to be accountable for health, safety and the environment, within the scope of their responsibilities. Mediq Healthcare UK Ltd will comply with all relevant legislation, approved codes of practice and government guidance concerning health, safety and this pervasive commitment spans every level of our operations.

Whilst maintaining a consistently high standard of customer service, Mediq Healthcare UK Ltd is focused on continually improving its EHS performance. We strive to be accessible, proactive and innovative in dealing with customers. We require that all employees be committed to our EHS Policy and the related management systems and processes that support our EHS goals.

Mediq Healthcare UK Ltd is committed to the provision of safe places of work for all employees within the business and regards the promotion of good health & safety practices as a mutual objective for management and employees at all levels. The Company will do all that is reasonably practicable to safeguard the safety & welfare of all its' employees, and that of members of the public, contractors and temporary workers whose safety and health could be affected by the Company's work activities.

Additionally, Mediq Healthcare UK Ltd promotes sustainable development in all work activities. Key environmental objectives include minimising our impact on climate change through the efficient use of fuels, utilities and waste reduction techniques, and fostering environmental awareness throughout our operations.

Our core values encourage all Mediq Healthcare UK Ltd employees to further develop our dynamic culture in the areas of health, safety and environmental behaviours, leading to a continually higher level of quality service.

Our EHS Policy and associated management systems are integral to the core values established by Mediq Healthcare UK Ltd to guide our daily activities and decisions. We are:

Our Responsibilities

It is the responsibility of the Board of Directors and Senior Teams to ensure:

- Implementation of the Mediq Healthcare UK Ltd EHS Policy
- Compliance with all applicable laws, regulations and standards where we operate
- Review of the EHS Policy and management systems annually, as a minimum, and revision when required
- Implementation of site-specific EHS management systems when necessary to conform to the EHS Policy, maintained by local management.

Richard Cornwell : **Managing Director**
